Have you ever seen the Fox around Broomhill? He has not seen his friends for a long time. Now he can meet up again he wants to see his two best friends and invite them for a picnic in the Library Garden. Who are they?

CLUE 1: Fox would like to have a Banana Loaf and a Carrot Cake at the picnic. Find the shop he should go to which would sell the main ingredients.

CLUE 2: Sandwiches are a favourite too. Go to the best Bakery for letter No 2.

CLUE 3: Bet you like chocolates. So does Fox! The best ones can be found here. Thank goodness it is open again.

CLUE 4: Now cross the road carefully at the crossing. Turn right and spot the shop which sells things to brighten up the garden for the party.

CLUE 5: Turn around and walk up the road. Would you like a holiday in the Mediterranean? Find the shop where Fox could get some tasty foods to remind us of those sunny countries by the sea.

CLUE 6: Carry on uphill and cross the main road at the crossing. Now Fox needs to get a picnic rug, some plates and cups from this shop which is a treasure house of useful things.

CLUE 7: Fox would like a magical party with some spooky games or make a magic wand or even play Quidditch. Where could he go to get some help with this?

CLUE 8: He's hoping for sun for the picnic now it's Summer, but wants to be ready in case it rains. Will it be the weather for wellies or sandals? Don't be late for letter 8!

CLUE 9: You can head back to the quiet garden up the hill where the big Plane tree grows. Now Fox can go in and browse, he might find some useful books to help him plan his celebration picnic for his friends. Have a good hunt around for the last piece of your puzzle.

You have all the letters to find out who Fox wants to invite to his picnic party.

Unscramble the letters.

Write the names of who you think Fox's friends are below.

Take your sheet to the library when it is open.
